

BORACAY TRAVEL REQUIREMENTS AND COVID PROTOCOLS

FOR FULLY VACCINATED:

1. Secure a Vaccination Certificate

Fully vaccinated individuals may secure vaccination certificate at www.vaxcert.gov.ph

2. Book a Round Trip Flight

Book a flight to Boracay Airport in Caticlan (MPH). Kalibo Airport is currently designated to residents only.

3. Prebooked accommodation at a DOT accredited hotel

Aside from the hotel needing to be DOT accredited, it also needs to have a Certificate of Authority to Operate.

4. Fill out the Health Declaration Form

You can fill out the health declaration form here: touristboracay.com

Choose Boracay in the Where to page. Fill out required fields and click submit.

5. Request your QR Code

The QR code is a mandatory pre-boarding requirement. **NO QR CODE, NO ENTRY.**

Kindly send the following documents to touristboracay@gmail.com prior to your visit to Boracay with the email subject: **OHDC-Family Name, First Name**

- Vaccination Certificate
- Flight & Hotel booking confirmation
- A valid government issued ID (with address)

We recommend to keep a physical and digital copy of your QR code with you at all times. It's also important to note that your QR code is tied to your departure date. It only stays valid till 12 hours after your departure time. For any reason you end up extending your stay, make sure you update your QR code as well.
